

## TABLE OF CONTENTS

Page

### CHAPTER 1: GENERAL ORIENTATION

1.1	Introduction .....	1
1.1.1	United States of America and Great Britain .....	1
	(i) Period 1940 - 1960 .....	2
	(ii) Period 1960 - 1968 .....	2
	(iii) Period 1968 onwards .....	3
1.1.2	Other Countries .....	3
1.1.3	South Africa .....	4
1.2	Rationale for Social Work in Contemporary Education .....	5
1.3	Motivation for the study .....	10
1.4	Goal and Objectives of the Study .....	12
1.4.1	Goals .....	12
1.4.2	Objectives .....	12
1.4.3	Research Model .....	13
1.5	Definition of Central Terms .....	13
1.5.1	Developmental Research .....	13
1.5.2	School Social Work .....	14
1.5.3	Social Group Work .....	14
1.5.4	Social Group Work with Classroom Groups .....	14
1.5.5	Guidance Teacher .....	14
1.5.6	Lifeskills .....	15
1.5.7	Experiential Learning .....	15
1.5.8	Programme Development .....	15
1.5.9	Programme Evaluation .....	16
1.6	Structuring of Thesis .....	16

## CHAPTER 2: RESEARCH METHODOLOGY

2.1	Introduction .....	18
2.2	The developmental research and utilization model of Thomas .....	19
2.3	The DR&U-Model of Edwin Rothman .....	20
2.3.1	The Analysis phase .....	22
2.3.1.1	The existence of a problem .....	22
2.3.1.2	State of existing interventions .....	23
2.3.1.3	Relevant information and resources .....	23
2.3.1.4	Statement of feasibility .....	24
2.3.1.5	Methodologies .....	24
(a)	Problem identification and analysis .....	24
(b)	State-of-the-art review .....	25
(c)	Feasibility study .....	25
2.4	The design phase .....	27
2.4.1	Conditions .....	27
2.4.1.1	Goals and aims .....	28
2.4.1.2	Practice model .....	28
2.4.1.3	Tentative illustration of the educational innovation .....	29
2.4.2	Innovation procedures .....	29
2.4.3	Methodologies .....	29
2.4.3.1	Goal formulation .....	30
2.4.3.2	Formulation of practice model .....	30
2.4.3.3	Role descriptions .....	30
2.4.3.4	Identification of relevant skills .....	30
2.4.3.5	Determination of educational needs .....	30
2.4.3.6	Formulation of programme goals .....	31
2.4.3.7	Determining of programme content .....	31
2.4.3.8	Selecting teaching strategies .....	31
2.4.3.9	Resources needed .....	32
2.5	The developmental phase .....	32

2.5.1	Development plan .....	32
2.5.2	Pilot testing .....	33
2.5.3	Data from pilot testing .....	33
2.5.4	Tested intervention innovation .....	33
2.5.5	Formulation of a developmental plan .....	33
2.5.6	Operational preparation .....	34
2.5.7	Pilot use and developmental testing .....	34
2.6	Evaluation phase .....	34
2.6.1	Conditions .....	35
2.6.2	Evaluation plan .....	35
2.6.3	Evaluation data .....	35
2.6.4	Methodologies .....	35
2.6.4.1	Evaluability assessment .....	35
2.6.4.2	Programme monitoring .....	36
2.6.4.3	Impact or outcome evaluation .....	36
2.6.4.4	Cost-effectiveness evaluation .....	37
2.6.4.5	Utilization evaluation .....	37
(a)	Determine what has to be evaluated .....	37
(b)	Identify the consumers of the evaluation .....	37
(c)	Gain the co-operation of the staff .....	38
(d)	Specify programme objectives .....	38
(e)	Specify evaluation objectives .....	38
(f)	Choose variables .....	38
(g)	Choose research design .....	39
(h)	Implement measurement .....	39
(j)	Analyse and interpret findings .....	40
(k)	Report and implement results .....	40
2.7	Conclusion .....	40

## CHAPTER 3: THE ANALYSIS PHASE

3.1	Introduction .....	42
3.2	Step 1: Identification and analysis of problem .....	43
3.2.1	Assessment methods .....	43
3.2.1.1	Interview .....	43
3.2.1.2	Psycho-social functioning inventory .....	44
3.2.2	Results of the problem/needs analysis .....	45
3.2.2.1	Problems in the school .....	46
(a)	Self-esteem .....	46
(b)	Communication .....	50
(c)	Decision-making abilities .....	55
(d)	Positive functioning areas: Future pers .....	58
(e)	Trauma dynamics: Mistrust/trust/belief .....	62
(f)	School problems .....	65
3.3	Step 2: State-of-the-art review .....	68
3.3.1	Interview with guidance teacher at the school .....	69
3.3.2	Discussion with other experts .....	69
3.3.3	Review of South African literature .....	70
3.3.4	Global trends in Lifeskills .....	71
3.4	Step 3: Feasibility study .....	73
3.5	Conclusion .....	73

## CHAPTER 4: THE DESIGN PHASE

4.1	Introduction .....	75
4.2	Goal formulation .....	76
4.3	Lifeskills group work practice model .....	77
4.3.1	Review of existing practice models .....	78
4.3.1.1	The developmental approach .....	78
(a)	The suitability of the developmental approach .....	81

4.3.1.2	The preventative and rehabilitative approach .....	82
(a)	Practice approaches .....	83
(b)	Suitability of the prevent and rehab approach .....	84
4.3.1.3	The Interactionist approach .....	85
4.3.1.4	The Mediating model .....	87
(a)	Transitive techniques .....	89
(b)	Suitability of the Integrated Mediating Model .....	91
(c)	Reasons for selecting Integrated Med Mod .....	92
4.4	An Integrated practice model for Lifeskills .....	93
4.4.1	Phase 1: Assessment .....	93
4.4.2	Phase 2: Planning: Contracts and goal attainment .....	95
4.4.3	Phase 3: Didactic presentation of the rationale for the model .....	97
4.4.4	Phase 4: Modeling of behaviour or responses .....	98
4.4.5	Phase 5: Practice by students of the skills .....	99
4.4.6	Phase 6: Termination and evaluation .....	100
4.5	Role descriptions .....	102
4.5.1	Group leadership .....	102
4.5.2	Group facilitator .....	104
4.5.3	Mediator .....	104
4.5.4	Didactic group leader .....	105
4.6	Identification of skills .....	105
4.6.1	Facilitation skills .....	106
4.7	Determining of educational needs .....	109
4.8	Formulation of programme goals .....	111
4.9	Determining programme content .....	112
4.9.1	Selection of programme content .....	113
4.9.2	Categorising of programme content .....	113
4.9.3	Drafting of lesson plans .....	115
4.10	Selecting teaching/Instructional strategies .....	116
4.10.1	Components of lifeskills education .....	116
4.10.2	Specific methods for Lifeskills training .....	118

4.11	Resources needed .....	120
4.12	Conclusion .....	120

## **CHAPTER 5: THE DEVELOPMENTAL PHASE**

5.1	Introduction .....	122
5.2	Formulation of the developmental plan .....	124
5.3	Operational preparation .....	124
5.4	Pilot use and developmental testing .....	125
5.4.1	Session one: Introduction .....	126
5.4.2	Session two: Conflict resolution .....	126
5.4.3	Session three: Needs .....	127
5.4.4	Session Four: Communication .....	127
5.4.5	Session five; Moods and Behaviour .....	128
5.4.6	Session six: Problem solving .....	129
5.4.7	Session seven: Peer groups, drug and alcohol abuse .....	129
5.4.8	Session eight: Self-concept .....	130
5.4.9	Session nine: Termination .....	131
5.5	Evaluation and evaluation methods .....	131
5.6	Summary of results of pilot use and developmental testing .....	133
5.6.1	Discussion of diary .....	133
5.6.2	Discussion of results of process evaluation scales .....	134
5.6.2.1	Session evaluation .....	134
5.6.2.2	Programme evaluation .....	137
5.6.2.3	Evaluation of presentation and content .....	140
5.6.3	Observation rating analysis .....	143
5.6.3.1	Discussion of table 5.4 .....	143
5.6.3.2	General findings .....	145
5.7	Conclusion of developmental phase .....	146
5.8	Impact Evaluation .....	147
5.8.1	Programme monitoring .....	148

5.8.2	Impact assessment .....	151
5.8.2.1	Evaluation goal .....	152
5.8.2.2	Identification of the consumers of the evaluation .....	152
5.8.2.3	Co-operation of the staff .....	153
5.8.2.4	Programme goals .....	153
5.8.2.5	Evaluation goals .....	153
5.8.2.6	Choose variables .....	153
5.8.2.7	Research design .....	154
5.8.3	Application of measurement .....	156
5.8.3.1	Findings .....	156
5.8.3.2	Statistical procedures .....	157
5.8.3.3	Pre-test results .....	159
	(a) Group equality at on-set .....	159
	(b) Discussion of cutting scores and need .....	160
5.8.3.4	Post-test results .....	162
	(i) Discussion of data gathered from post-test .....	163
	(ii) Discussion of two-sample test .....	166
5.9	Summary of qualitative and quantitative data .....	169

## **CHAPTER 6: FINDINGS, CONCLUSIONS AND RECOMMENDATIONS**

6.1	Introduction .....	170
6.2	Findings .....	170
6.2.1	Findings: Integrated developmental research and evaluation Model .....	170
6.2.2	Findings: The analysis phase .....	171
6.2.3	Findings: The design phase .....	172
6.2.4	Findings: The developmental phase .....	173
	6.2.4.1 Developmental plan .....	174
6.3	Conclusion .....	175
6.3.1	Research goal .....	175

6.3.2	Programme goals and objectives .....	175
6.3.3	Need for a Lifeskills training programme .....	175
6.3.4	Integrated developmental research and evaluation model ....	176
6.3.5	Integrated practice model for group work in schools .....	177
6.3.6	Role description .....	177
6.3.7	Group work skills .....	177
6.3.8	Contributions made by practitioners .....	177
6.3.9	The need for curriculum .....	178
6.3.10	Quasi-experimental design .....	178
6.3.11	Measuring instruments .....	178
6.4	Recommendations .....	179
6.5	Final word .....	180

## CHAPTER 7: SUMMARY

7.1	Motivation for the study .....	181
7.2	Goal of the study .....	182
7.3	Integrated developmental research and evaluation model .....	182
7.4	The analysis phase .....	182
7.5	The design phase .....	182
7.6	The developmental phase .....	183
7.7	Main conclusion .....	183

<b>BIBLIOGRAPHY</b> .....	184
---------------------------	-----

<b>ADDENDUMS</b> .....	194
------------------------	-----

## LIST OF FIGURES

	<b>Page</b>
Figure 1.1 The new paradigm Vs the old paradigm .....	8
Figure 2.1 An integrated developmental research model .....	21

Figure 3.1	Negative effects of low self-esteem .....	48
Figure 3.2	Communication process .....	51
Figure 4.1	An integrated practice model for Lifeskills training .....	94
Figure 4.2	An adapted overview of group leadership skills .....	107
Figure 4.3	Selection of programme content .....	114
Figure 4.4	Schematisation of programme for pilot study .....	115
Figure 4.5	Schematic representation of the structure of lessons .....	116
Figure 5.1	Schematic interpretation of the developmental phase .....	122
Figure 5.2	The integrated model of programme evaluation .....	123
Figure 5.3	Schematic representation of the programme for pilot use and developmental testing .....	126
Figure 5.4	Schematic explanation: Evaluation phase .....	149
Figure 5.5	Schematic representation of experimental process .....	152
Figure 5.6	Graphic illustration of equality of groups at pre-testing .....	160
Figure 5.7	Growth of control and experimental groups .....	165

## LIST OF TABLES

	<b>Page</b>
Table 5.1 Percentage scores of participant's answers on session evaluation .....	136
Table 5.2 Total percentage scores of participant's level of satisfaction with the programme .....	138
Table 5.3 Percentage scores of participant's satisfaction with the total Lifeskills programme .....	142
Table 5.4 Difference in total pre- and post-test scores of five participants in the experimental and control groups .....	144
Table 5.5 Mean score difference between the experimental- and control- groups for the pre-test .....	159
Table 5.6 Growth shown in evaluation variables through difference in mean scores of the control and experimental groups .....	163
Table 5.7 Probability values of two-sample test of independent means (experimental group) applying the difference in post-test results and p-values .....	167
