1	2	3	4	5
Not at all				Definitive

Comments:

UNIVERSITY
OF
JOHANNESBURG

2. Are definitions clear?

1	2	3	4	5
Not at all clear				Very clear

Comments:

3. Is the amount of explanation appropriate?

1	2	3	4	5
---	---	---	---	---

Not at all Definitive

Comments:

4. Are examples and diagrams meaningful?

1	2	3	4	5
---	---	---	---	---

Not at all Definitive

Comments:

5. Can the model be followed?

1	2	3	4	5
---	---	---	---	---

Not at all Definitive

Comments:

The following questions deal with the *simplicity of the model*.

6. How many relationships are contained in the model?

1	2	3	4	5
---	---	---	---	---

No relationships

Many relationships

Comments:

7. How many concepts are contained in the model?

1	2	3	4	5
---	---	---	---	---

No concepts

Many concepts

Comments:

8. Is the model complex in some areas, and not in others?

1	2	3	4	5
---	---	---	---	---

Not at all

Definitive

Comments:
