

ACKNOWLEDGEMENTS

My sincerest gratitude goes out to the following people who supported me through thick and thin in order to complete my studies.

- ❖ My supervisor, Mr H. Rudnick. I learnt a lot from him in a short space of time. He was always there for me even in the most awkward times.
- ❖ Foster Aloma, who assisted me with the background information and research report for the PPASA Lifeskills HIV/AIDS education programme.
- ❖ Learners of Dr Reginald Cingo, Comprehensive School who took part in this study. Your participation will definitely pave a way for future studies with regard to adolescent sexuality programmes.
- ❖ The financial assistance of the National Research Foundation (NRF, South Africa) towards this research is hereby acknowledged. Opinions expressed and conclusions arrived at are those of the author and are not necessarily to be attributed to the National Research Foundation.
- ❖ My parents (Sidwell and Dorcas) who motivated me throughout my studies.
- ❖ My brother, Calvin and Sisters Morongoe, Matiisetso and Motselisi. You stood by me and believed in me.
- ❖ My husband, Blessing for inspiring and supporting me unconditionally. You were always willing to help me, I do not know what I would have done without you. Words will never be able to express my gratitude.
- ❖ Lastly, to God the Almighty from whom I drew strength.
