

## ACKNOWLEDGEMENTS

I would like to extend my sincere gratitude to the following people who helped me through thick and thin in more ways than one:

\* *My Family* - for your support during the hard times of writing this thesis. Especially my parents, Mr and Mrs Lephoto, for your love and encouragement.

\* *My Little Daughter* - Yolanda Morrison, a very special person. Your presence in my life always reminds me how beautiful and wonderful life is. You are my pillar strength.

\* *My supervisor* - Dr Johan Beuster, (RAU-East Rand Campus) for your guidance and showing interest in my work.

\* *Mrs Lynette Venter* - (RAU Librarian) for the help you gave me during the hard times of library research. You were always available.

\* *Dr G. H. Schwar* - (RAU - East Rand Campus) your words of encouragement still echo in my mind. You always believed in me.

-- *To all of you* --  
*"Thank you very much."*
