Acknowledgments

I would like to thank the following people and institutions for helping to make this study a success:

My supervisor, Prof. B-E. van Wyk, for his patience and remarkable input into my study.

The University of Johannesburg and National Research Foundation for financial support.

The Curators of all the herbaria from which specimens were loaned.

Dr A. Moteetee for assistance at the JRAU herbarium.

Dr P. Tilney for assistance with anatomy.

Dr M. van der Bank and Olivier Mauren for assistance with the molecular study.

Stephen Boatwright and Anthony Magee for moral support and assistance with photographs and editing of figures.

Dr H. van Niekerk for assistance with the SEM.

Dr H. Glen for translating diagnoses into Latin.

Family for encouragement, emotional and financial support.

Friends and fellow students for moral support.
