

Acknowledgements

- To our Heavenly Father, for granting me the opportunity to study His creation.
- To my parents, for supporting me through my studies. Also to my brother for always being there.
- To Eunice, for tremendous support and patience.
- To Prof. Swart, for teaching me to view problems in a holistic and thorough manner.
- To Prof. Lacquet, for valuable discussions.
- To all the guys in the lab, especially Riaan and Martin, for moral support.
